To the tune of "Nights" by Avici

Every summer, every year Everyone comes back to here The kids inside come out to laugh and play Overnight and Slip & Slide Sports, Music & Tie Dye Make memories we know will never fade

One day, Channah, she told me, "Don't let it slip away" Be Sure to make the most of every day When you get older, your heart will live for younger days Think of Moshava when you're away

She said, "one day, you'll leave this camp behind So have a summer you will remember" Channah told me when I was Ediah Hey Moshava is here to stay"

We have the best activities Shekem, biking & leagues Pottery, Malechet Yad and Ropes Trips, Big swing & Nagarut Pool, Taboon and Chavaya Moshava's your home away from home One day, Alan, he told me, "Don't let it slip away" Be Sure to make the most of every day When you get older, your heart will live for younger days Think of Moshava when you're away
