

# NAVAJO ROAD

## To the tune of "Country Road" by John Denver

Almost heaven, Indian Orchard  
Pocono mountains, Delaware river  
Life is great here, with ruach and chinuch  
Walking Shvil Yisrael...  
Learning about my home

**Navajo Road...Take me home  
To the place I belong  
Indian Orchard.. Pennsylvania  
Take me home...Navajo Road**

All my memories, every summer  
Praying while the sun sets  
Mifkad near the water

My friends are with me  
Here at moshava  
Eidah Hey through Machal  
We're making aliyah

**Navajo Road...Take me home  
To the place I belong  
Indian Orchard.. Pennsylvania  
Take me home...Navajo Road**

Channah's voice, in the morning from the ram kol  
Israeli songs remind me of my home far away  
and driving up the road I get a feeling  
That, moshava, is here to stay...  
Here to stay....

**Navajo Road.... Take me home  
To the place I belong  
Indian Orchard.. Pennsylvania  
Take me home...Navajo Road**

**Take me home...Navajo Road  
Navajo Road...Take me home  
Take me home...Navajo Road  
Navajo Road...Take me home**
