

# SWEET HOME LAND OF ISRAEL

## To the tune of "Sweet Home Alabama" by Lynyrd Skynyrd

History's wheels keep on turning  
Carry me home on eagles' wings  
מארבע כנפות הארץ  
עלה נעלה We all will sing

From many countries, many colors  
From Abraham until today  
Different cultures come together  
We're going home this time to stay

**(Chorus:)**  
**Sweet homeland of Israel**  
**Where the flag is white and blue**  
**Sweet homeland of Israel**  
**Lord I'm coming home to you**

In our prayers we dreamed about her  
In hard times we turned to you  
Two thousand years they wouldn't let us  
You opened the door to every Jew

**(Chorus:)**  
**Sweet homeland of Israel**  
**Where the flag is white and blue**  
**Sweet homeland of Israel**  
**Lord I'm coming home to you**

We came from every nook and cranny  
Poland, Russia, Yemen too  
On foot, by train, by boat, by aeroplane  
We made Aliyah, now how about you

**(Chorus:) x2**  
**Sweet homeland of Israel**  
**Where the flag is white and blue**  
**Sweet homeland of Israel**  
**Lord I'm coming home to you**
