

SWEET MOSHAVA

To the tune of "Sweet Caroline"

by Neil Diamond

When camp began, the map, I didn't know it
Just look how far, I've come along
Up north is Tzafon
A place where the grapes are growin
I walked the hills, till cows came home
Shvil... Shvil Yisrael
I'm comin' home

Walk with me, along the chof

Chorus:

Sweet Moshava (v ava va)

Good times never been so good

Make Aliyah (a h ah ah)

Live a life of Torah...v'...a...vo...da

Down south is Darom

Where we find the Negev desert

Ben Gurion made the flowers bloom

Darom and Tzafon

I can't recall who won it

אחינו כל בית ישראל

Shvil... Shvil Yisrael

I'm comin home

Walk with me along the chof

Chorus:

Sweet Moshava (v ava va)

Good times never been so good

Make Aliyah (a h ah ah)

Live a life of Torah...v'...a...vo...da
